RECITAL UPDATE:

This year's recital, "Broadway Magic" will surely entertain people of all ages. Much of the music will be very familiar to you, and you will enjoy listening to some of our favorite melodies. You will hear music from across the country as well as some old standbys as the children perform jazz, hip hop and lyrical numbers. No one in the audience will be able to resist as our youngest dancers who always steal the show. All of our dancers will soon start to learn their recital numbers, and you may hear them humming or singing their songs as they wander through the house. This is an exciting year for our studio as our teachers and students work together to bring you so many memorable performances. So, check the enclosed list, and mark your calendar. You will not want to miss this very special show!

The recitals will be held on Sunday, June 10th, at Lake Orion High School. The school is located east off of Lapeer Road on Scripps Road. **Show times will be: Saturday at 1:00 pm & 5:00 pm.** The majority of the classes will perform in only one of the shows. The performance schedule on the following pages specifies the day(s) your child is scheduled to dance. All students must stay with their class and parent volunteer(s) during the show. Dancers are expected to stay for the entire show and participate in the finale.

*****RECITAL TICKET information is included in the calendar of this packet. You will also find a ticket form in the packet. You do not need to purchase a ticket for your child who is in both halves of the show. You can, however, purchase a discounted student participation ticket so they can sit with you for half the show. Details about this are on the ticket order form. You will need to purchase a ticket for any child who is over two years of age who will be attending the show – also you will need a ticket for any child who is under two but will be occupying a seat. **RECITAL TICKETS ARE ON SALE NOW!!! GET YOUR ORDERS IN - SEATS ARE RESERVED!!!!**

We look forward to a great recital and hope that you and your family enjoy the show your children have worked so hard to prepare for you. Please print out the recital packet so that you have it for future reference. If you have any questions, please call the studio office.

RECITAL ETIQUETTE

1. Be polite and helpful to each other. This is an exciting and hectic time for everyone!
2. Parents, grandparents, friends -- Please do not ask to go backstage on rehearsal or show nights. We will have security at the doors. This is for your child's safety. Supervision is provided for the children backstage.
3. Please do not ask for your child to leave early or to be brought out of the backstage area during shows. They must stay backstage for the entire show. **In case of an emergency or an extenuating circumstance, YOU MUST MAKE PRIOR ARRANGEMENTS WITH THE DSD OFFICE, and must submit the excuse in writing to the office, in order to have your child excused from the show early.**
4. Please do not have your student take his/her coat, dance bag, or anything else backstage that is unnecessary during shows. Put your child's dance shoes on them before they go backstage. It is difficult for the class mothers to keep track of all of these extra things. We will have coloring books, crayons, etc. for the children backstage.
5. Please secure all costume headpieces with bobby pins, elastic, etc. Please make sure all straps on costumes are sewn on securely. Label all extra costumes with the child's name, scene # and name of the dance. Please do this in large letters and pin it securely to the costume.
6. Please remember -- **only parents may attend the dress rehearsals.**
7. Please note: Students must attend the rehearsals to be in the show. If there is an emergency, please contact the studio.
8. If there is a concern or problem, please ask to speak to Erin Bishop who will be happy to assist you.
9. SMILE!!! We're going to have a great show and as the recital grows closer, we hope you'll join in our excitement. We promise to present a show that will entertain you and provide lasting memories. The rules we have are for good reasons, based on past experiences. We hope that as we prepare for our show, we will have your cooperation. Thank you for a terrific year!!!
10. At both the shows, please check your child in at the front desk.
11. This year we will be excusing the children from the stage as we did last year. We are asking that ALL PARENTS remain seated until all students have been dismissed. This will give the backstage moms time to get out into the cafeteria and set up a small area for their children. There will be signs in the cafeteria, telling you what group is where. At that time, Deborah will release the parents to go get their children. **WE ARE ASKING THAT ONLY ONE PARENT ENTER THE CAFETERIA TO PICK-UP YOUR CHILD.** We understand that you are anxious to see your dancer, but it makes it difficult for the backstage moms to keep track of everyone if 5 people descend on her to pick up one child. Once you have found your child, notify the mom that is watching them that you have your child and then please vacate the area. There will be many people trying to pick up their children and we want to do this in the safest and most organized way possible. All dance lines will come out the doors by the table where they went in. All other children will be in the cafeteria.

TO ALL PARENTS AND STUDENTS:

The people who volunteer to help with the recital are a very important and integral part of our show's success. They are there for the safety of your children and so that the show may be produced as efficiently and safely as possible. Their help is very much needed and appreciated.

We remind you to treat our volunteers with respect and kindness. There are rules that must be followed as we have over 300 students at each show to supervise backstage. Please do not verbally or physically assault anyone who endeavors to enforce our rules. Doing so will result in dismissal from the show and from our studio.

Only people who volunteer to supervise classes are allowed backstage with the students. We will have several adults with each class of younger children and one with the classes of older students.

Please remember that we cannot allow men or boys backstage (except for those young men who dance in the show, the men who are in the quick change room for the boys and the stage crew). This is for your child's safety, so please do not ask to go backstage during shows. A volunteer or older dance student will meet the younger children at the stage door when they arrive for recitals and escort them to their class. Students (all ages) must remain backstage, if a performer ticket has not been purchased, during the entire show including the finale. Students may not leave the backstage area for any reason. If there is an emergency, and you must leave for some legitimate reason, you must get permission from Erin Bishop - you may do this by speaking to someone at the front table, who will then get permission for you.

Thank you for your anticipated cooperation and patience. We hope our show will be a pleasant and enjoyable experience for all.
